

Press Release - September 15, 2023 - For Immediate Release

### **David Wright's Carol Day: Jack Slingsby**

Edited by Roger Clark, Chris Killackey and Guy Mills

#### **About the Book**

*Jack Slingsby* is a companion volume to our first Carol Day book: *Lance Hallam*, and again we reprint the complete story from the original art, in the full size of the originals, a large 17 x 5.25 inches. Our goal is to give readers an experience as close as possible to viewing the original art, and to provide a definitive presentation, as Wright and his art deserve, of one of David Wright's very best stories.

In addition to presenting the complete art, we also include an extensive critical essay and scans of the complete art boards.

#### **Technical Details**

*Jack Slingsby* reprints the Jack Slingsby story from the original art in the original size: 115 strips which ran from Tuesday, June 23, 1964 - Tuesday, November 3, 1964, along with an extensive critical essay by Chris Killackey.
